College of Veterinary Medicine

2022 FALL

Department of Veterinary Medicine

COURSE NO. & NAME	STUDY LEVEL	FIELD
1116 General Zoology	B	Agricultural and Biological Sciences
3149 Pathophysiology	B	Agricultural and Biological Sciences
4149 Small Animal Clinical diagnostics Laboratory	B	Agricultural and Biological Sciences
6285 Molecular Virology*	M	Agricultural and Biological Sciences
6292 Seminar on Animal Virology (I) *	M	Agricultural and Biological Sciences
6294 Special Topics in Animal Welfare*	M	Agricultural and Biological Sciences
6296 Critical Review on Scientific Papers in Clinical Medicine	M	Agricultural and Biological Sciences
6336 Special Topics in Animal Microbial Infections	M	Agricultural and Biological Sciences
7165 Review of Literature in Animal Virology(II) *	M	Agricultural and Biological Sciences
8108 Review of Literature in Molecular Immunology (I)*	P	Agricultural and Biological Sciences
8125 Special Topics Research (I)	P	Agricultural and Biological Sciences

Graduate Institute of Microbiology and Public Health

COURSE NO. & NAME	STUDY LEVEL	FIELD
6292 Seminar on Animal Virology (I) *	M	Agricultural and Biological Sciences
6497 Emerging Infectious Diseases in Humans and Animals *	M	Agricultural and Biological Sciences
7165 Review of Literature in Animal Virology(II) *	M	Agricultural and Biological Sciences
8165 Special Topics in Cellular Immunology*	P	Agricultural and Biological Sciences
8169 Special Topics in Pathogenesis of Infectious Diseases *	P	Agricultural and Biological Sciences

Graduate Institute of Veterinary Pathobiology

COURSE NO. & NAME	STUDY LEVEL	FIELD
6292 Seminar on Animal Virology (I) *	M	Agricultural and Biological Sciences
6503 Professional and Effective Scientific Presentation	M	Agricultural and Biological Sciences
9190 Special Topics on Cellular Signal Transduction	P	Agricultural and Biological Sciences

* EMI（English as a Medium of Instruction）
