

Ph.D. Program in Tissue Engineering and Regenerative Medicine

2023 FALL

BACHELOR 
MASTER 
PH.D 

COURSE NO. & NAME	STUDY LEVEL	FIELD
8072 Stem Cell Biology *		Agricultural and Biological Sciences
8073 Special Topics in Tissue Engineering and Regenerative Medicine (I) *		Agricultural and Biological Sciences
9003 Special Topics in Tissue Engineering and Regenerative Medicine (III) *		Agricultural and Biological Sciences

* EMI (English as a Medium of Instruction)
