

College of Veterinary Medicine

2023 SPRING

BACHELOR 
MASTER 
PH.D 

Department of Veterinary Medicine

COURSE NO. & NAME	STUDY LEVEL	FIELD
1140 Embryology		Agricultural and Biological Sciences
1143 Veterinary Anatomy		Agricultural and Biological Sciences
1144 Veterinary Anatomy		Agricultural and Biological Sciences
1145 Veterinary Anatomy and Practice		Agricultural and Biological Sciences
1146 Veterinary Anatomy and Practice		Agricultural and Biological Sciences
2127 Lab Animals		Agricultural and Biological Sciences
3220 Comparative Physiology		Agricultural and Biological Sciences
6271 Special Lectures on Animal Parasitology		Agricultural and Biological Sciences
6274 Special Topics on Pharmacokinetics		Agricultural and Biological Sciences
6275 Molecular Immunology*		Agricultural and Biological Sciences

6277 Molecular Virology	M	Agricultural and Biological Sciences
6278 Scientific Writings in Veterinary Science	M	Agricultural and Biological Sciences
6279 Seminar on Animal Virology (I)*	M	Agricultural and Biological Sciences
6289 Special Topic on Laboratory Animal Science	M	Agricultural and Biological Sciences
6292 Diagnostic Electron Microscopy in Veterinary Medicine & Lab.	M	Agricultural and Biological Sciences
6305 Special Topics in Biomedical Analysis	M	Agricultural and Biological Sciences
6310 Diagnosis and Treatment on Clinical Cases of Companion Animals	M	Agricultural and Biological Sciences
7134 Review of Literature in Animal Virology(II)*	M	Agricultural and Biological Sciences
9058 Seminar on Molecular Virology (II)*	P	Agricultural and Biological Sciences

Graduate Institute of Microbiology and Public Health

COURSE NO. & NAME	STUDY LEVEL	FIELD
6271 Special Lectures on Animal Parasitology*	M	Agricultural and Biological Sciences
6279 Seminar on Animal Virology (I)*	M	Agricultural and Biological Sciences
6469 Advanced Directed Reading*	M	Agricultural and Biological Sciences
6478 Writing Biomedical Research Papers in English*	M	Agricultural and Biological Sciences
6491 Infectious Disease Epidemiology	M	Agricultural and Biological Sciences
6492 Laboratory Diagnostic Technique	M	Agricultural and Biological Sciences
6493 Applied Epidemiology	M	Agricultural and Biological Sciences

* EMI (English as a Medium of Instruction)
