2020-Spring Term - My Course List:

| Course No | Course Name | The period for completing the course | Credits | Required/ Elective | Instructor | Course Time | Location | Note of changes |
|-----------|-------------|--------------------------------------|---------|--------------------|------------|-------------|----------|-----------------|
|-----------|-------------|--------------------------------------|---------|--------------------|------------|-------------|----------|-----------------|

There is no any course in the list (2020-Spring Term).

Reference for Notice:

- ☆1: The course is the required subject of the other department.
- ☆2: The course is the required/selected subject of a higher degree or year.
- ☆3: The course is for undergraduate students. (For graduate students' reference).
- ☆4: You have to take the pre-courses to take this course.
- ☆5: This course is a 2-semester course for one academic year, yet you select this course without taking the other part course opened in the first semester.

If any of your selected course shows the marks mentioned above,
