學校簡介  
Introduction

Chiang Mai University was founded in January 1964, in a Royal Charter granted by His Majesty King Bhumibol Adulyadej. CMU, or Mor Chor as it is known locally, was the first institute of higher education in the north, and the first provincial university in Thailand. Since our opening in 1964, with the three founding Faculties of Science, Social Sciences, and Humanities, we have continued to augment our structure and organization in terms of premises, the range of disciplines offered, and student enrollment.
