As announced from Spring 2021, Hanyang University has decided to accept exchange students only to the Undergraduate program and will not accept students to the Graduate program from Fall 2021. Graduate students are still welcome to join the Undergraduate program if the home university permits and will have same eligibility to take the free Korean language courses. (Please note that Hanyang University offers larger number of English courses in undergraduate program).

There will be a part on the nomination form to confirm that the student's cumulative GPA is over 60% based on home university grading system, and it should be confirmed by the home university coordinator in order for the student to be qualified to apply for the Hanyang exchange program.

On-Campus Dormitory

On-campus dormitory will not be available until further notice. Instead, we will share useful information that students can refer to when arranging accommodation through newsletter.

* For partners with reciprocal agreement regarding the dormitory, we will be sending a separate email for further information.

Self-Quarantine during COVID 19 period

The Korean government is mandating all foreigners visiting Korea to be self-quarantined for 14 days upon arrival, and this regulation is expected to be extended until the 2021 Fall semester. Hanyang University will provide students with further details regarding this issue once decided. For your information, Hanyang University has designated a self-quarantine facility for students in the amount of 1.4 million Korean won including accommodation and meals in Spring 2021. Please note that the students need to follow the Hanyang University's regulation regarding the self-quarantine in order to participate in the program.

National Health Insurance

The Korean government is mandating all long-term sojourn foreigners to be registered for the National Health Insurance since March 2021. Exchange students will be subject to the registration after applying for the Foreign Registration Card.
