<b>學校</b> <b>University</b>	波各農業大學 IPB University (Bogor Agricultural University)	<b>國家</b> <b>Country</b>	印尼 Indonesia
<b>學校簡介</b> <b>Introduction</b>	<p>IPB founded on 1 September 1963 as a form of visionary thinking from leaders of the nation and those that care about agriculture higher education so this big nation have world-class university that have competency in agriculture, bioscience, and various related fields. This matter intended to enhancing food security, bioenergy, job creation, poverty eradication, and preserve environment. The birth of IPB on 1 September 1963 based on decision of Minister of Higher Education and Sciences No. 91/1963 that later authorized by the first President of Indonesia with Decision no. 279/1965</p> <p>Institut Pertanian Bogor has agricultural, livestock, veterinary, and life science studies.</p> <p>IPB consist of nine faculties providing an undergraduate program. Graduate and postgraduate programs are managed by a separate graduate school. In 1972, IPB implemented a four-year undergraduate curriculum and, in 1975, opened the first graduate school in Indonesia.</p> <p>IPB undergraduate new students are required to pass a Common First Year Program (Tingkat Persiapan Bersama (TPB)) before entering any faculties or department although they are enrolled as a student of specific faculties and department. They are also required to live in dormitories during the first year.</p> <p>Institut Pertanian Bogor has a diploma program that is separated from the faculties and managed under the Directorate of Diploma Program. Unlike the undergraduate students, a common first year program is unavailable for diploma program students.</p>
