學校 University	馬德堡大學 Otto von Guericke University Magdeburg	國家 Country	德國 Germany
學校簡介 Introduction	<p>The Otto-von-Guericke University Magdeburg was founded in 1993, and is one of the youngest universities in Germany. The former Technical University Magdeburg a teacher training college and a medical school were absorbed into the university when it was created. The university now composes nine faculties.</p> <p>Otto von Guericke University Magdeburg aims to create a lean and sharply-defined structure with its main focus of expertise in the traditional areas of engineering, the natural sciences and medicine. It also views economics, management, social sciences, and humanities as essential disciplines for a modern university in the information age.</p>
