學校簡介
Introduction

Founded in 1477, the University of Tübingen is one of the best-renowned research universities in Europe and a prime location for academic studies and research. A full range of disciplines and a high standard of research, both in sciences and humanities, contribute to its international reputation. Its outstanding schools and departments are consistently ranked among Germany's best. At their disposal is not only the latest technical equipment, but also extensive library facilities. The latest results of scientific research flow directly into the University's curriculum, thus guaranteeing an up-to-date education. The University offers a wide range of cross-disciplinary events and sponsors many cultural highlights in the city.
