

Gentle Hues

Mayumi Mandira Mapatuna | NCHU | International Master Program in Agriculture

“Gentle Hues” reflects the serene beauty of Chung Hsing Lake, a tranquil oasis nestled within the heart of NCHU. Inspired by the gentle interactions of fish, geese, and turtles that inhabit this peaceful spot, the artwork captures the soft blues and delicate layers that evoke a sense of calm. This piece invites viewers to pause and appreciate the quiet moments of nature that bring harmony to our busy lives.
